STEP 1: YOUR ORDER

Copies		Brochures	(Please order each brochure in multiples of 100)
	<i>Financial Strategies with a Structured Settlement:</i> At four pages, NSSTA's most comprehensive brochure covers several financial issues and the benefits of a structure broker.		
	<i>In Their Own Words:</i> Former plaintiffs discuss the great benefits of structuring.		
	<i>An Introduction to Structured Settlement:</i> A brief overview of structures' benefits with endorsements from disability advocates and a chart showing the benefits of tax-free returns.		
	<i>Family Security & Structured Settlements:</i> Written for spouses, this explains how structures create financial security for the whole family.		
	<i>Special Needs Trusts & Structured Settlements:</i> The benefits of a SNT funded with a structure.		
	<i>Protecting Children with a Structured Settlement:</i> Why structures are an excellent option for injured minors.		
	<i>Improving Retirement with a Structured Settlement:</i> Choosing a structure can secure retirement and improve estate planning		
	<i>The Catastrophic Case:</i> With the stakes so high, structures are particularly urgent for the plaintiff.		
		Articles	(Please order each article in multiples of 100)
	<i>Surveying the Financial Landscape:</i> U.S. Congressman James Langevin (Rhode Island), a structured settlement recipient, describes how the federal government is helping accident survivors, including the benefits of his own structured settlement. (Published the disability magazine ACTION)		
	<i>A Structured Solution:</i> An accomplished mediator (selected as a "100 Best" attorney for ADR) describes why she urges parties in mediation to consider a structure and why she endorses the valuable services of structure brokers. (Published <i>Spinal Cord Injury Life</i>)		
	<i>Injured? Here's Advice:</i> The general counsel and past president of the Communications Workers of America's San Diego local tell why structures are ideal for workplace injuries. (Published by the CWA)		
TOTAL NUMBER OF COPIES IN YOUR ORDER
